**Action Requested:** Adoption of an Ordinance declaring the results of the June 12, 2010 Runoff Election.

**Background Information:** The Runoff Election for Place 4 was held this past Saturday, June 12, 2010. The Election night returns reflect that John Keating overcame Jim Joyner with 2492 votes representing 55.39% to Joyner's 2007 votes at 44.61%. At the time of this memo, the official Certified Results are not available from the Collin County Elections Administrator but will be provided in the final Ordinance presented to you on Saturday, June 19, 2010. The Early Voting Ballot Board will reconvene on Friday, June 18, 2010 at 9 a.m. to count any provisional and military ballots that have been received by mail. The numbers could change slightly depending on provisional or military ballots, but not likely to change enough to overturn the election night results.
